## § 54.601

(h) *Public notice; hearing or meeting.* A school or library shall provide reasonable public notice and hold at least one public hearing or meeting to address the proposed Internet safety policy.

### § 54.522 [Reserved]

### § 54.523 Payment for the non-discount portion of supported services.

An eligible school, library, or consortium must pay the non-discount portion of services or products purchased with universal service discounts. An eligible school, library, or consortium may not receive rebates for services or products purchased with universal service discounts. For the purpose of this rule, the provision, by the provider of a supported service, of free services or products unrelated to the supported service or product constitutes a rebate of the non-discount portion of the supported services.

## Subpart G—Universal Service Support for Health Care Providers

### § 54.601 Eligibility.

(a) *Health care providers.* (1) Except with regard to those services provided under § 54.621(b), only an entity that is either a public or non-profit rural health care provider, as defined in this section, shall be eligible to receive supported services under this subpart.

(2) For purposes of this subpart, a “health care provider” is any:

(i) Post-secondary educational institution offering health care instruction, including a teaching hospital or medical school;

(ii) Community health center or health center providing health care to migrants;

(iii) Local health department or agency;

(iv) Community mental health center;

(v) Not-for-profit hospital;

(vi) Rural health clinic; or

(vii) Consortium of health care providers consisting of one or more entities described in paragraphs (a)(2)(i) through (a)(2)(vi) of this section.

(3) For purposes of this subpart, a rural health care provider is a public or non-profit health care provider located

in a rural area, as defined in this subpart.

(i) Notwithstanding the definition of “rural area” in § 54.5, any health care provider that is located in a “rural area” under the definition used by the Commission prior to July 1, 2005, and received a funding commitment from the rural health care program prior to July 1, 2005, is eligible for support under this subpart.

(ii) [Reserved]

(4) Each separate site or location of a health care provider shall be considered an individual health care provider for purposes of calculating and limiting support under this subpart.

(b) *Consortia.* (1) An eligible health care provider may join a consortium with other eligible health care providers; with schools, libraries, and library consortia eligible under Subpart F; and with public sector (governmental) entities to order telecommunications services. With one exception, eligible health care providers participating in consortia with ineligible private sector members shall not be eligible for supported services under this subpart. A consortium may include ineligible private sector entities if such consortium is only receiving services at tariffed rates or at market rates from those providers who do not file tariffs.

(2) For consortia, universal service support under this subpart shall apply only to the portion of eligible services used by an eligible health care provider.

(c) *Services.* (1) Any telecommunications service that is the subject of a properly completed bona fide request by a rural health care provider shall be eligible for universal service support, subject to the limitations described in this paragraph. The length of a supported telecommunications service may not exceed the distance between the health care provider and the point farthest from that provider on the jurisdictional boundary of the largest city in a state as defined in § 54.625(a).

(2) *Internet access and limited toll-free access to internet.* (i) For purposes of this subpart, eligible Internet access is an information service that enables rural health care providers to post their own data, interact with stored
